0 = satisfactory; + = good; ++ = very good; +++ = excellent
 *) 17-mm spacers on rear axle.

Only tyres of the same make and type, with the same speed index and the same specification code (N0, N1, N2 ...) may be used on a vehicle.

Further detailed information about permitted wheel and tyre sizes as well as spacers that may be required can be found in the relevant parts certificates/manufacturer's certificates held by the Porsche partners.
