Leave the M1 at Junction 16 and follow the A45 towards Flore/Weedon.

At the cross roads in Weedon continue straight ahead towards Daventry along the A45.

At the first roundabout in Daventry, take the first exit and follow the A45 towards Drayton way (on Map). There are currently road works in Daventry and the A45 would be the best route.

Once on Drayton Way you will pass a set of traffic light and Heartlands business is the next left at the roundabout. You are now in Heartlands Business park.

Continue down the hill and take your second left into Lamport Drive.

Meguiar's are located at the end of this road on the right hand side, 3 Lamport Court.
