

The 964 Register barbecue at the Elvetham Hotel in Hartley Wintney on 30<sup>th</sup> August, coincident with the Belgian Grand Prix was a great success. As well as the 30 or so people pre-registered for the event, the timely mention in last month's PP got the attention of a few more with a total of 17 cars showing up. The projection TV laid on by the Elvetham Hotel along with the very welcome canapés during the race made for an enjoyable and relaxed afternoon, culminating in a superb barbecue after the race. The weather managed to hold off the rain, despite a few spots experienced on the journey there for some. More details are available as well as a link to the registration page on the Events page at [www.964uk.com](http://www.964uk.com).

The Porsche & Polo event at Kirtlington near Oxford on 5<sup>th</sup> September is next on the list but deadlines dictate that I can't include any details here. Melvin Spear is coordinating the 964 and 964RS attendance and we'll hopefully have some details and pictures next month..

As reported last month, the 964 Sprint Day at Curborough Sprint Course on 31<sup>st</sup> October has been massively over subscribed. The 20 available spaces have now been booked and paid for but spectators will get free entry into the course and there is no charge for passenger laps. Some refreshments will be available.

I haven't had an overwhelming response to including the 911 & Porsche World Picnic in the Park on 20<sup>th</sup> September in our activities. It was a good event last year but getting in to the location proved a bit of a headache and perhaps that's the reason for the lack of enthusiasm.

By pure coincidence my local region – Region 10, Milton Keynes & Northants – have an event organised on the same day at the Cross Keys in Pulloxhill, Bedfordshire in cooperation with the Aston Martin Owners Club and a contingent from the 964 Register would be made very welcome. I'll put some more details on the forum.

As always, keep an eye on your e-mails. We've had a very good response from members updating us with their e-mail addresses and the constant task of updating car records seems never ending. Occasionally we find that new members do not give an e-mail address with their application and if this is one of your first copies of Porsche Post and you have not received an e-mail from us please make a point of sending us a short note to [964@porscheclubgb.com](mailto:964@porscheclubgb.com) with your Membership Number in order that we can keep you up to date with Register activities.
